

# Specifications

## AUTOpercent®

- Automatic, Conductivity, Chemical Feed System
- NEMA 4X Fiberglass Enclosure
- Digital, Programmable, Conductivity Controller with Automatic Temperature Compensation for Accurate Chemical Feed
- Adjustments for Varying Tank Sizes and Equilibration Times
- Heavy-duty, Conductivity Probe
- 1 1/2" MNPT CPVC Insertion Probe Holder
- On/Off Key Switch
- Run Indicator Light
- Automatic, Initial Fill
- Fail-safe Feature
- Electrical: 3 AMP Maximum at 120VAC

Version: 20300C
